"I found employment very quickly after finishing the diploma, proving that I had made the right decision. The skills I learnt help me on a daily basis to get through my workload quickly and efficiently, so I can only advise anyone looking for work to get the right skills and the Pitman Training qualifications for the job they want!"

- Eloise

Core Courses

With our Advanced Office Skills Diploma, you choose any seven core courses from the list below. Please note alternative subjects may be chosen if more appropriate to your existing skills and career goals. Our Course Advisors can assist further with tailoring this diploma to your requirements.

Word

Our Microsoft Word course is designed to provide you with the essential skills you will need to be proficient in Word in a work environment in as short a time as possible.

Word Expert

This training in Microsoft Word will propel your Word skills forward to an advanced level. Over several lessons, you'll become confident in a range of Word's more sophisticated features.

Excel

Microsoft Excel is the world's most popular spreadsheet program. This course is suitable for beginner to intermediate level. Over ten self-paced lessons you'll learn how to format your spreadsheet to best display your information, handle simple and complex formulas, insert charts, learn how to insert functions, such as IFERROR, and much more.

Excel Expert

Our Excel Expert level course will provide you with the knowledge and skills to use this popular spreadsheet programme to an advanced level. Over a series of self-paced lessons you'll learn how to perform tasks such as conditional formatting, recording and running macros, working with pivot tables, and using statistical functions.

Outlook

Our Outlook course takes you through everything you'll need to use this popular email system as a work tool, from navigation and views through contacts and appointments, to tasks and folders.

PowerPoint

Our PowerPoint training course will help you get to grips with this comprehensive presentation software. Armed with the skills covered in the course, you'll soon be delivering professional presentations to colleagues, clients, and partners.

Bookkeeping - Module 1

People with strong bookkeeping skills are always in demand. This course is designed to give you an advantage over others with less experience, teaching you double-entry bookkeeping.

Sage 50 Accounts

Sage 50 Accounts will equip you with the skills you need to get a good job in an accounts department or to work for yourself by offering accounting administration services to local firms.

Effective Business Communication

This excellent course will raise your game when it comes to business communication skills, which are top of the list of qualities demanded by employers.

Typaz

In just 25 hours, typing speeds of 20-40+ words per minute are perfectly achievable, even if you have little prior experience. You'll also receive guidance on ergonomics, technique, and accuracy.

Typaz Speed

If you want to build speed and accuracy, then consider our Typaz Speed touch-typing course, which will help you achieve speeds of 40-60 words per minute.

Guideline Learning Time
